

The Shortells
Wish You
Happy Holidays!

May the Holidays find you with
those you hold dear.
May your fortune improve in the
coming New Year.
This Greeting is offered to you by
the four of us
That is it's from Phil, Mary, Clara
and Atticus.
There's four Santa hats on the
front of this card.
And four stockings too, but please
don't search real hard
for Clara (since FOUR sent this
card as we said)
As Always she's hiding down under
the bed.
